Will Gather in Large Numbers at Riverview Park on Monday.

Tug-of-War Contest Between Limerick and Portland a Feature.

Will Settle Long Disputed Champion-ship Between These Rivals.

REUNION OF IRISH-AMERICANS

Everything is in readiness for Irish-American day at Riverview Park next Monday and the committee of arrangements expect to draw a record crowd to this popular resort, some of the committee being the same which promoted Hibernian day at this same park a couple of years ago, drawing a Fourth of July crowd of 22,500 people, which is the record. The Hibernians are only part of the contingent promoting Irish-American day, as it is intended to be a reunion of every man, woman and child in the city who has a drop of Celtic blood in his or her veins, no matter what religious persuasion.

One of the special features of the day will be the tug-of-war contest between a team from Limerick under the leadership of John H. Hennessy and a team from Portland under the direction of Thomas Dolan, the athletic instructor from the West End. This has been a much mooted question in Irish-American circles for some time as to who turns out the best men of brawn, Portland or Limerick, and after much discussion and signing of articles of the following have been signed to pull the other's head off or move out of their respective neighborhoods:

Limericks—Martin Joyce, John O'Donnell, Jerry Hallinan, Robert Mitchell, Thomas Dignan and Thomas Farrell.

Portlands—William Murphy, Thomas Noone, John Maloney, Hugh Hourigan, Roger Nohalty and Martin Sheehan.

Many wagers have been made on the result of the tug and the promoters of Irish-American day will arrange to give a banquet to the winners of the event. It goes without saying that the followers of both teams will be on hand in large numbers to cheer their respective favorites, and in connection with this it is expected to have a space set aside for the contestants and officials only, as at a similar contest some time ago the spectators became so enthused that they took a hand, causing the match to be declared off and the championship still unsettled. Hence the arrangement to settle it next Monday.

Two other features sure to create some interest are the reel dancing and waltzing contests, for which handsome prizes are offered, and already some of the light steppers are entered and are sure to arouse some enthusiasm among the lovers of the terpsichorean art. The Committee of Arrangements is made up as follows: D. J. Coleman, William Murphy, A. Tompkins, Joseph E. Farrell, Thomas Dolan, Thomas Lawler, C. J. Ford, Ernest Smith, William T. Meehan, John T. Keane, James Welsh, Hugh Hourigan, Thomas Stevens, John G. Hession, D. J. Dougherty, John H. Hennessy, Thomas Lynch, John J. Barry, Thomas J. Langan and H. J. Brady.

IMPROVED.

Holy Father's Condition Is Better Than Last Week.

Catholics were much relieved Thursday when they read that Pope Pius, whose condition shows marked improvement over last week, sat up nearly all day Wednesday. His Holiness even ventured to walk from his arm chair to his writing desk to get some papers required while discussing official matters with Cardinal Merry del Val, the Papal Secretary of State. During the day the Pontiff received a number of his friends, his physicians believing that a chat with others than those engaged in the sickroom might tend toward brightening the spirits of the patient.

His Holiness was not informed of the sudden death of Cardinal Moran in Sydney, N. S. W. It was feared the shock might have a detrimental effect on the Pontiff's health, as he held Cardinal Moran in high esteem.

CHURCH OF OUR LADY.

Next Tuesday and Wednesday evenings the good people of the West End will give a lawn fete for the benefit of the Church of Our Lady in the spacious church grounds on 13th street, between Thirty-fifth and Thirty-sixth streets.

Rev. Peter Conniff is the faithful and working pastor, and the money will be used for improvements on the church, one of the oldest in the city. There will be twelve some prizes, good music and attractive features, and the committee have done everything to toward making this fete a enjoyable one.

NUNS LEAVE.

Dominican Sisters Going to Their Various Missions.

After the feast of St. Dominic the nuns who had been resting and recuperating at the Academy of St. Catherine of Sienna were sent to various missions. It will be of interest to the people of St. Louis Bertrand parish to know where the daughters of that parish are engaged in teaching.

Sister Agatha, formerly Miss Mary Brown, and Sister Clare, formerly Miss Tillie Glass, remain at St. Catherine's. Sister Mary Plus has been made Mother Superior at Memphis. She was formerly Miss Katie Kennedy. Sister Bridget, formerly Miss Bridget Connolly, has been made Mother Superior at West Lynn, Mass. Sister Mary Raymond, who was formerly Miss Anna Hines, has been assigned to Mattoon, Ill. Sisters Agnes and Callista, former Misses Isabella and Cassie Kavanagh, have been reassigned to St. Francis de Sales Academy, Charlestown, Mass. Sister Teresa, known in the world as Miss Julia Gilmarin, has gone to West Lynn. Sister Alexia has been reappointed Mother Superior at St. Michael's Academy, Lowell, Mass. She was formerly Miss Bridget O'Sullivan. Sister Frances, formerly Miss O'Malley, will remain at St. Catherine's. Sister Bernardine, who was Miss Bernardine Medley, of Leavenworth, goes to Charlestown, Mass.

MAMMOTH

Lawn Fete For the Benefit of St. Ann's New Church.

A mammoth lawn social will be given for the benefit of St. Ann's church next Wednesday and Thursday on the beautiful church grounds, 1607 South Seventh street. Rev. Father Hill and the ladies of the parish have spent weeks preparing for this event, and everything that goes to make a lawn fete successful will be found on the grounds. Many attractions have been provided, and handsome and valuable prizes will be within the reach of all. Father Hill has done surprising work since founding St. Ann's parish, and the people of the congregation, desiring to show their appreciation, therefore invite their friends from all parts of the city to be with them and assist in making this the greatest occasion of the kind for the season. Members of the congregation will "orm a reception committee to see that all are entertained, and the refreshments will be served by a corps of charming young ladies. All who would help a good cause and spend a pleasant evening are invited and should attend this fete.

EXCELLENT

Work Is Being Done by the Central Committee, C. K. of A.

President Eugene McCarthy presided at the regular meeting of the Central Committee, C. K. of A., on Friday night of last week. All the branches were well represented considering the high temperature. William M. Higgins, Chairman of the Entertainment Committee, reported the preparations that had been made for Catholic day at Fontaine Ferry Park on Wednesday, August 23. In addition to the usual attractions there will be a "Raffles" incident with a \$5 gold piece as a reward for the one who properly accosts "Raffles."

Henry Schnitzgen, from Branch 642, made a nice talk and turned over a neat sum to Central Committee. The money had been raised for a man who has become blind. Mr. Schnitzgen's talk was appreciated and his work was highly complimented. Letters of sympathy were ordered sent to two delegates who have been ill, Edmund Rapp and Capt. John B. Murphy, the Police Commissioner of Jeffersonville. John Kenney, of Jeffersonville, and Joseph Kenney made nice talks, and P. J. Dowling of Branch 4, expressed the hope that many new members would be secured. He also made several excellent suggestions regarding increasing the membership of the various branches.

The Central Committee was extended an invitation to attend the outing of the Uniform Rank on August 27. John Schalda told how he had spoken for the order at the general meeting at St. Anthony's and his talk made a fine impression. The committee received a second pressing invitation to attend the Irish-American celebration at Riverview Park next Monday.

POLICEMEN ON VACATION.

Lieut. Mike Leahy will leave Tuesday to spend his vacation at White Mills, and on the same day Detective John Enright will leave for a week's stay at Madison, Ind. Capt. Mike Hogan has been spending his vacation at French Lick, while Officer William Lawler went to Detroit to visit his sister and spend a few days in Canada. Both will be on duty again Monday. Lieut. Edward Callahan has been sojourning at Atlanta City for the past ten days. Sgt. Tom Brown wearing the straps during his absence. Those officers receiving vacations during these sultry days are looked upon as being lucky.

STATIONED IN WEST.

Sister Mary Raymond and Sister Mary Angela, of the Dominican order, who have been staying at St. Rose during the summer months, left Wednesday for Exeter, Neb., where they will teach during the coming school session at St. Stephen's College. Before taking the veil Sister Mary Raymond was Miss Anna Hines, daughter of Mr. and Mrs. Thomas H. Hines.

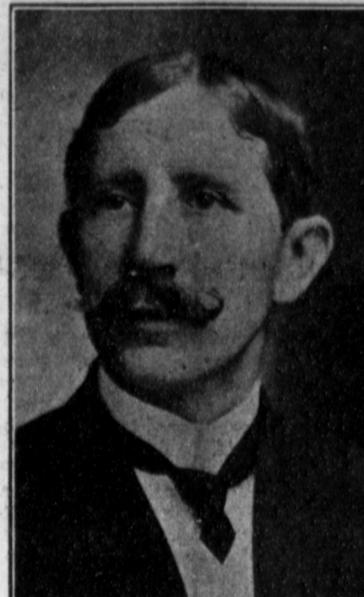

STILL CAMPAIGNING.

Division 4, A. O. H., met Monday evening and heard reports from the committee who are hosting the Irish-American day picnic at Riverview Park next Monday, and the members are especially interested in the tug-of-war contest which will

REUNION.

Catholic Knights Thronged St. Michael's Hall on Tuesday.

Their Annual Reunion Wednesday at Fontaine Ferry Park.

Central Committee Has Invited All the Falls Cities Societies.

A Novel Feature will Be the Search for the Monied Knight.

WILL REVIVE FOND MEMORIES

A great day is approaching for the Catholics of Louisville and the Falls Cities. On next Wednesday, August 23, the annual Catholic reunion under the auspices of the Louisville Central Committee will be held at Fontaine Ferry Park, and every indication points to the largest gathering of the kind in the history of the Catholic Knights of America. For weeks committees have been working for this event, to which the members of every Catholic society in the three Falls cities and the general public have been invited. This annual reunion was instituted several years ago and has brought about many happy meetings of old friends and acquaintances, besides reviving and leaving fond memories.

The park management will provide many attractions with a musical programme introducing the popular airs of all nations. A feature that will provide much amusement and a nice prize will be the search for the "Monied Knight." A well known member of the Catholic Knights of America has been selected, and will be at the park all the afternoon and evening. Upon his arrival at 2:30 o'clock he will be stationed at the entrance, wearing a black Derby hat, dark suit and light tie. He will later appear at the bandstand, from there going to the theater, and after the performance mingling with the crowds. The same will be repeated in the evening, beginning at 7 o'clock. To win the prize all you have to do is to touch him gently on the right shoulder, declare him the "Monied Knight," and receive the \$5 gold piece he carries or the one who discovers him.

Every branch of the Catholic Knights of America in this city is represented on the committee. Among the active workers for the success of this reunion are such well known citizens as Gen. Michael Rechert, P. J. Dowling, John Schalda, Patrick Holley, Charles Hill, President Eugene McCarthy, Ben A. Kruse, Supreme Delegate H. A. Veeneman, Col. Joseph P. McGinn, Capt. Oscar Maier, B. A. Coll, Charles Falk, State Secretary William T. Meehan, J. J. Schulen, Police Commissioner J. B. Murphy, John Kenney, Ben Ritman, Joseph Kenney, Christopher William M. Higgins and a host of others. For years the Central Committee of the Catholic Knights of America has been doing a great work in Louisville, and the proceeds of this reunion will be devoted to purposes most commendable. The admission will be ten cents, the tickets being for sale by members in all sections of the city. With fair weather the attendance should number at least 10,000.

ANNIVERSARY

New Attracting Attention of Mackin Council Members.

Mackin Council had a fairly attended meeting Monday night, presided over by Vice President Joseph Hancock. C. Schaefer, R. Riddle and C. Craven, all on the sick list, were reported improving, and C. Oswald was reported entirely well. Gratifying reports were made by the Opera Committee, which placed a goodly sum in the treasury. Announcement was made that the shower baths were completed and in working order. Patrick T. Sullivan presented the council invitations to attend the Irish-American outing at Riverview on Monday and the Catholic day celebration at Fontaine Ferry on August 23, and both were accepted.

The business of greatest interest related to the anniversary celebration to be held at the club house next month. George J. Lautz reported that arrangements were being perfected to make this celebration surpass all others, and that the committee was receiving the assistance of all the members. The programme will include two days, the first to be devoted to religious exercises and a reception.

DOING NICELY.

The Louisville friends and relatives of Sister M. St. Paul Kennedy, of Indianapolis, will be rejoiced to learn that she is making steady progress toward recovery, after a delicate operation for appendicitis. As the good Sister is in her seventy-third year it is considered remarkable that she stood the operation so well. Her niece, Miss Margaret E. O'Donnell, has been her constant attendant.

NOT YET

Will the United States Enter Into Alliance With England.

Senate Committee Calls Treaties Breeders of Bitterness and War.

Must Not Surrender Our Powers to a Half Foreign Body.

THE DUTY OF THE SENATE

At this writing there appears little hope for the projected alliance between this country and England. It is almost certain that the arbitration treaty, which would leave the United States Senate shorn of its greatest power, will not be acted on before the adjournment of Congress, and also there is a widespread belief that the next session will cut the measure to pieces. There is almost universal opposition to the International Commission, and the whole framework is built on that its elimination would wreck the whole structure.

Tuesday the Senate Committee on Foreign Relations presented a report to the Senate declaring the pending conventions with Great Britain and France, similar to the one proposed with Germany, would likely provoke war rather than peace if consummated in their present form. The report was a vigorous defense of the committee's course in recommending the elimination of the paragraph in the treaties conferring especial powers upon the joint high commission created by the convention.

The office removed the fire and a bullet through the temple caused the negro to fall dead. The funeral of Officer Baldwin took place from St. Louis Bertrand church on Sunday afternoon and was largely attended. A detail of police acted as pall-bearers and as escort to the grave.

The deceased was born in Ireland forty-nine years ago, but came to Louisville when quite a young man.

He was regarded as a brave and fearless officer. He resided at 734 Madison street and is survived by his wife and the following children: Nellie, Catherine, John, Mary and Regina Baldwin, and a sister, Mrs. Thomas McLaughlin, of 309 East Madison street.

The pall-bearers were Officers Michael J. Sullivan, John P. Keele, John Carroll, Austin Nally, Patrick O'Hearn, Robert Riley, H. C. Miller and John Mallone. The escort was composed of Cornelius Savage, James Twohig, Edward McGrath, Thomas Fitzgibbons, Patrick Tully and Lieut. Schupp.

HONORED.

Attorney A. F. Martin Again Deputy Supreme Officer.

Attorney Albert F. Martin has again been honored by the Young Men's Institute. This week he received his commission from Supreme President W. J. Hennessy and appointment as Deputy Supreme President for the Kentucky jurisdiction, which includes the States of Tennessee and Missouri. For a number of years Attorney Martin has been an active worker for the Y. M. I., having served as President of Trinity Council of this city, which progressed under his administration, and also as President of the Kentucky Grand Council. He will be expected to represent President Hennessy at the Grand Council to be held next week at Carrollton. His friends are justly elated over his appointment.

VISITING FAMILY.

Rev. Father James A. Mackin, O. P., of St. Mary's church, New Haven, Conn., is spending a few weeks with relatives in Marion county. He is a relative of the late Father William Mackin, formerly pastor of St. Cecilia's church in this city.

"There are certain questions at the present stage of human development," the report concluded, "which if thus forced forward for arbitration would be rejected by the country affected without regard whether, in so doing, they broke the general arbitration treaty or not. In the opinion of the committee, it should not be possible, under the terms of any treaty, for such a deplorable situation to arise. Nothing ought to be promised that we are not absolutely certain we can carry out to the letter."

"If the third clause of Article 3 remains in the treaty, it is quite possible that the unhappy situation just described might arise, and the treaty would then become, not what we fondly hope it will be, a noble instrument of peace, but an unopened breeding of bitterness and war. For that reason as well as on constitutional grounds, and in the best interests of peace and arbitration itself, the committee recommends that this clause be stricken from the treaty."

FROM QUEEN MARY.

The Dowager Lady O'Hagan has offered Queen Mary the freehold of her house in Dublin, to be devoted to any purpose which the Queen may select, in memory of the royal visit to Ireland. The Queen has accepted the offer and desires the house to become the permanent headquarters of the St. Lawrence Catholic Home for training district nurses.

COME AND BE WELCOME.

The Kentucky Irish American joins with Right Rev. Bishop O'Donaghue, Gov. Wilson and Mayor Head in inviting the next National Catholic Federation to come to Louisville. This is the cradle of Catholicity in the West. We can show our visitors a handsome Cathedral and many beautiful churches and schools. Rev. Father Raffo, Dr. Peter S. Ganz and Hon. E. J. McDermott will represent Louisville and her interests at the convention which will meet in Columbus, Ohio, next week. Louisville is one of the cities that first promoted the Federation, and this is reason for asking the national convention to come and be welcome.

CHURCH MOURNS.

Thursday's press dispatches brought announcement of the sudden and unexpected death at Sydney, N. S. W., of the venerable Cardinal Moran, one of the patriarchs and greatest men of the Catholic hierarchy. The dispatch was brief, only stating that the Cardinal was found on the floor of his bedroom in Manly palace in a state of collapse. Death followed an attack of syncope.

His Eminence Patrick Francis Cardinal Moran, Archbishop of the archdiocese of Sydney, New South Wales, was born at Leighlinbridge, diocese of Kildare, Ireland, on September 17, 1830. He was created Cardinal on July 27, 1858. The death of Cardinal Moran creates the twenty-third vacancy in the Sacred College.

RIGHT MOVE.

If the present General Council wishes to increase the impression they have made with the public they should adopt Councilman Michael McDermott's ordinance requiring the Louisville & Nashville Railroad Company to leave Dumessil street open, which has been done during the construction of the viaduct. It is a move in the right direction, and further inquiry should be started as to who gave the L. and N. permission to close Tenth street to the public, and which is a public street, being closed several years ago while their shopmen were on a strike and never reopened. Councilman McDermott should be encouraged in his fight against this corporation.

SANE CHAUFFEURS WANTED.

Some day the question will be put up to Col. Lindsey, Chief of Police, and the Board of Safety, which is the most valuable human life, or the necessity of the police automobiles running fifty and sixty miles an hour to probably carry a drunken negro to jail. Taxpayers, who by the way pay the police chauffeurs, can not see why these speed cranks are allowed to endanger especially the lives of little children when emergency calls like riots, etc., are very rare. A word to the wise is sufficient.

Waldorf Astor was never anything but ridiculous, and his leaving this country for England has not been regretted. The upstart Tory expresses relief, that his first Parliamentary session has ended and adds: "We will now have respite to get the battle lines ready. This is no defeat for the House of Lords and the Unionists, but only the beginning of a fight that probably will last for the next few years." What must English people think about this interloper, who opposes the King, Government and people.

Nowhere was the Feast of the Assumption of the Blessed Virgin Mary more generally observed than in Louisville. The services in all the churches were the same as on Sunday, and the pastors were particularly gratified over the large numbers present at the early masses. Men and women, young and old, the great majority on their way to work, stopped at some one of the churches, honoring the Mother of God and securing for themselves a spiritual reward.

DEMOCRATS

Held Large and Enthusiastic Convention and Adopt Platform.

While Excitement At Times Ran High There was no Ill Feeling.

The County Unit Plank the Only One That Caused Friction.

OPENING OF THE CAMPAIGN

The Democrats of Kentucky met in State convention in this city Tuesday and adopted the platform on which they will make their campaign this fall. The attendance exceeded all expectations, every county in the State being fully represented. Promptly at 12:30 o'clock the opening session was called to order in Masonic Theater by Henry Prewitt, Chairman of the State Executive Committee. Hon. John S. Rhea was the unanimous choice for Temporary Chairman, and after his address and the appointment of committees an adjournment was taken until 3 o'clock.

Upon reassembling the eleven districts announced their selections for the various committees and the temporary organization was made permanent. Objection was made to the action of the Credentials Committee seating the delegation headed by ex-Gov. Beckham. This for a time caused intense excitement and some rapid-fire exchanges of compliments, but the convention finally seated both delegations, thus reducing the vote of the Beckhams to one-half each. The other committees not being ready to report calls were made for the various nominees, who responded with telling speeches and predictions that the Democratic ticket would be elected by 30,000 majority. After all had been heard an adjournment was taken.

When the convention was called to order at 8 o'clock, every available foot of space was occupied, the floor, boxes and galleries all being thronged. Gov. Beckham read the majority report of the Resolutions Committee, which favored extension of the county unit, the only plank that gave rise to any feeling during the convention. When Henry Watterson rose to present the minority substitute, calling for local option and a rigid enforcement of the laws, he was given a ovation and cheer that brought the vast assemblage to its feet. In a short but forceful speech Mr. Watterson gave the reasons why the substitute was offered. Gov. Beckham spoke for the majority, after which the vote was taken. The result was in doubt until the last counties were called, when the vote showed 667 against 514, and thus the convention declared for the extension of the county unit.

The platform touches upon national questions and endorses the record of Kentucky's Democratic members of Congress. Upon State issues the platform declares Kentucky is a Democratic State and denounces the Republican administration for its extravagances. The other planks favor a direct primary election law, an explicit and effective corrupt practice act, making the school system more efficient and practical, removing the Prison Commissioners from politics, a uniform system of public accounting, road and bridge building, religious and civil liberty, nomination and election of United States Senators by direct vote of the people, and the enactment of laws that will protect from accident laborers engaged in hazardous employments. Other subjects are given attention, and upon the whole the platform is one that merits the support of every voter who has Kentucky's interest at heart.

Now that the State Democratic ticket and platform are settled much interest is being manifested in the nominations to go under the McCrea-McDermott ticket on the ballot. With the exception of one or maybe two places in the General Council roster they will be endorsed and nominated as a whole, one change being in the Twelfth ward, Ben Sand expecting to be State Labor Inspector in the event of the success of the State ticket, and Thomas Dolan, the well known statutory engineer, will be given the place. The other probable change will be in the Tenth ward. The probable line-up for the Judgeship of the First division, Chancery branch, will be James Quarles, Judge A. E. Richards and Judge R. W. Bingham, Judge Bingham realizing from a practical politician's standpoint the G. O. P. is due for a stinging defeat this fall. In the Legislative races Charles Knight is without opposition in the First Ward. In the Second ward there are three candidates—Adam Spahn, who has the support of some of the administration; Henry Wallingford, who it is rumored is being supported by Judge Goeke and Squire Dasher and their large following. The third candidate is Peter Goebel, who is depending upon his strength in the southern part of the district. Lee R. Curtis in the Fourth and Fifth wards, Peter Lee Atherton in the Sixth and Seventh, William A. Perry in the Eighth and Ninth, and William McNally in the Tenth, will have no opposition for the nomination, while Sam Robertson in the Eleventh and Twelfth will have a little opposition, but not enough to make Big Sam hustle.

The Evening Post is still hoping against hope that the local Democratic committee will be changed, as Frank McGrath and his fellow committee men are the strongest and most harmonious body of its kind thing but pleasing to the Post.

WASHINGTON.

Dr. Scharf Must Answer
the Charges of Ben
Johnson.

A Washington press dispatch says Representative Ben Johnson won a victory in the decision of the local chapter of the Knights of Columbus to investigate his charges against Dr. Emil L. Scharf, a local lobbyist. In a speech on the floor of the House, toward the end of the last Congress, Mr. Johnson declared that Scharf had approached him with a proposition to deliver the Catholic vote in the Fourth Kentucky district to Mr. Johnson for "a consideration." Mr. Johnson stated that other members with a large Catholic vote in their districts had been similarly approached by Scharf, whom some weeks previous Mr. Johnson had ordered out of his office, saying: "You know I don't think you are straight." When Scharf, who is head of a Catholic news agency, backed out of his office on that occasion he showed very little fight, but after the charges were made he challenged Mr. Johnson to prove them. The local Knights took up the affair and after an investigation decided that they must be looked into. The result will be made public by the Knights in October, they promise.

JEFFERSONVILLE.

Announcement has been made of the engagement of Miss Alice O'Connell, the popular and pretty young daughter of Mrs. Minnie O'Connell, 944 East Court avenue, to Patrick McCann, of 824 Spring street, Jeffersonville. The marriage will be solemnized in the near future at St. Augustine's church.

A wedding that will be of interest to many people will be that of Charles Willis and Miss Catherine Coyle. Their marriage will take place on August 30 and will be solemnized at St. Augustine's church. Both are well known and popular young people of Jeffersonville.

LAWN FETE.

On the afternoons and evenings of Tuesday and Wednesday, August 29 and 30, a lawn fete for the benefit of St. Elizabeth's church will be held on the church grounds, 1020 East Burnett. Tuesday afternoon will be for the children and Tuesday evening there will be eucharistic, for which many handsome prizes have been donated. Wednesday will be everybody's day. Refreshments and supper will be served both dates.

RECOVERED.

Miss Margaret Flynn, of 1820 East Spring street, New Albany, who was overcome by the heat last Friday, has fully recovered and returned to her place with the Louisville Gas Company. Miss Flynn was stricken in the evening and for a while was unconscious. She was attended by a physician and later removed to her home.

SPIRITUAL RETREATS.

Rev. Father Benedict, C. P., of the Sacred Heart Retreat, closed a ten days' spiritual retreat on Tuesday for the Sisters of Mercy at the convent on East Broadway. Rev. Father Wilfrid, of the same order, conducted a ten days' retreat for the Sisters of Charity at Mt. St. Joseph's, Delhi, near Cincinnati, on August 15.

GENERAL TO CHARITIES.

Marion E. Taylor, of Louisville, has presented \$2,000 to charities at Natchez, Miss. The Natchez Protestant Orphan Asylum is given \$1,000, and Devereux Hall and St. Mary's Asylum, Catholic institutions, get \$500 each.

SOME CHURCH WORK.

Right Rev. Bishop McDonnell, of the Brooklyn diocese, will dedicate three handsome churches before Christmas. The Bishop is now in Ireland, and will visit Germany and other countries, then going to Rome for the purpose of having an audience with the Pope. The new churches are St. Agnes, Right Rev. James S. Duffy rector; the Church of the Presentation, the Rev. James Flynn rector, and St. Finbar's, the Rev. William Gardiner rector. The three edifices will cost in the aggregate more than \$1,000,000.

CHURCH PICNIC.

Next Monday the people of Holy Trinity parish will hold an old-fashioned all-day picnic on the church grounds at Kentucky and Dupuy streets, the proceeds to be for the benefit of their church. All who attend are assured a pleasant day.

REAL VINCENTIAN WORK.

Sixty-five poor children of Chicago and their mothers are being given vacations at a camp established by the St. Vincent de Paul Society on the lake shore between Isabella and Walnut streets, Evanston. They are living in tents, lent to the society by the United States army. One woman has ten children—so many that they have to occupy two tents. The camp has been equipped with gas and electric light. Women of the Catholic churches in Evanston and Wilmette assist in cooking and serving meals. It is planned to keep the camp open until cold weather.

COLUMBUS MONUMENT.

Though long delayed, the Columbus memorial monument will soon be erected at Washington, D. C. The memorial consists of a semi-circular fountain, sixty-four by sixty-two feet, at the back of which is a column forty feet high. This shaft is surmounted by a globe. At its foot stands Columbus, wrapped in a cloak, in an attitude of meditation, and with his foot on the prow of a caravel. On either side of the column are symbolic figures of the new and the old world—an Indian and a Caucasian. The rear of the

shaft has a medallion of Ferdinand and Isabella. Its cost will be over \$100,000.

KNIGHTS OF COLUMBUS.

Late News That Will Interest
Members Here and Elsewhere.

Massachusetts now has 137 councils and 22,388 members.

Forty candidates will be given the second degree tomorrow at Colorado Springs.

Illinois has 123 councils and Pennsylvania 110. Ohio comes next with sixty-eight.

President Taft will be in Boston on October 12 and will review the Columbus day parade.

The councils at Erie and Meadville will have charge of the next national convention, which will be held at Cambridge Springs.

New York has more councils and a larger membership than any other State in the Union—217 councils and 42,620 members.

A float, beautifully and artistically decorated, representing Columbus stepping from the Santa Maria onto American soil, was Colorado Springs Council's contribution to the anniversary carnival parade. This float was among the best and elicited much applause from the crowds along the line of march.

FORTY HOURS.

The Forty Hours' devotion will begin tomorrow morning with beautiful solemnity at the Church of St. Francis of Assisi on the Bardstown road, concluding on Tuesday. Father Rotheut will conduct the services and will be assisted by a number of the local clergy.

FATHER VAUGHAN'S VIEWS.

Father Bernard Vaughan was recently asked his views on home rule, and he said he would not commit himself either as priest or laymen, but—he said deliberately that if England wished to clasp the hand of friendship with Canada, Australia and other of her dependencies—aye, and with the mighty United States—he would first have to make it clear that there was peace and contentment in Ireland! Which of course very plainly expressed Father Vaughan's views on the matter.

FAMILY OF RELIGIOUS.

Rev. John P. Prendergast, assistant pastor of the Sacred Heart church in Kansas City, and Rev. Thomas F. Prendergast, pastor of the Sacred Heart church at Warrensburg, Mo., are twin brothers. Seven of the nine children in the Prendergast family are priests and nuns, making one of the most remarkable instances of religious devotion known in church experience.

LATEST IN STYLES.

High feather decoration is a fall military keynote.

Never were so many sheer, plain striped silk waists.

Long top coats are carried in nearly all vacation trunks.

With the promise of wider skirts comes the return of ruffles.

White pumps were probably never before in so great demand.

More and more insistent becomes the prophecy of wider skirts.

White linen is apparently the season's favorite material for tub dresses.

Hosier in every case matches the shade of the gown with which it is worn.

Velvet in both plain and fancy weaves is employed in many of the new three-piece suits—consisting of coat and skirt with waist to match. Many two-piece suits are made of velvet.

MEMORIAL.

Entered into eternal rest on Tuesday, August 8, 1911, Margaret, aged twenty-six, the beloved daughter of Mrs. John Halibell Perseval.

She died very sudden and unexpectedly, for she became ill only Sunday evening. An operation was decided on, and she was hastened to St. Joseph's Infirmary, where she passed away on Tuesday. She was of such a jolly disposition that her short, sweet life made a heaven on earth for all those around her.

She was a Catholic girl of the highest type and a noble example for us all. She was housekeeper for the Fathers of St. Anthony's for a number of years and was beloved and respected by the Franciscan fathers. Her funeral mass was held at St. Anthony's church on Thursday morning and was most solemn and impressive. Requiem high mass was celebrated on the main altar by Rev. Father Wilfrid, assisted by four other priests. Just as the first gospel was being read two other fathers began requiem masses on the side altars. The music and singing were certainly of the highest order. While we, her friends, shed bitter tears of regret that we shall see her no more here below, we rejoice that our dear Margaret was so well prepared and that she has been released from her earthly sufferings. We hope that her soul is now with our blessed Lord whom she loved so much. The burial was in St. Michael's cemetery.

SOUR MARY."

Many Louisville people will be interested to learn that Madame Navarro, the Mary Anderson of others, is seriously thinking of giving up her beautiful home in Worcestershire, England. She loves to live in the country away from "the madding crowd," but at Broadway she is said to be getting tired of the throngs of tourists who insist upon calling on her when visiting Stratford on Avon, which is close to her home. At Broadway she has a delightful old world house out of the beaten track, and visitors will catch for hours to catch a glimpse of Madame Navarro, who comes along in simple attire with her husband and children and a favorite dog. The poor of the neighborhood call her their "beautiful lady" and she is the Lady Bountiful of the district. She has a chicken farm where she raises fowl for the invalid poor, and its management is a source of great interest to her.

STILL THEY LEAVE.

Keep out of the rut; take an interest in all the events and movements of the day. Give no heed to trifles, but stand out for essentials and do not hesitate to fight when the thing is worth it, and in this way "remain the captain of your soul." Do not always be judging of others; his loss is of valuable time. Have your own ideal high and leave others alone, even in your relations with them being good-natured and cultivating a pleasant manner.

HIBERNIANS.

What They Have Been Doing
the Past Week—General
News Notes.

The Ancient Order has 755 affiliated divisions in Ireland.

Last year the membership in Ireland increased 7,683, and in Scotland 3,792.

Division 1 has three members on the sick list—Thomas Shannon, Frank Kinney and John Holden.

Every member of the order should be seen at Riverview Park on Monday night. You should also bring your friends.

Now is the time to arrange for the coming initiations. Each division should strive to have a large and representative class.

The Hibernians of Indianapolis had great Irish day celebration on Wednesday in Germanic Park, the attendance running into thousands.

Liverpool members of the Ancient Order of Hibernians have passed a resolution thanking His Eminence Cardinal Gibbons for his eulogy of the order.

Rory Oge O'More founded the Ancient Order just 346 years ago, for the purpose of protecting the priest when celebrating holy mass, which under the beneficent laws of England was then a penal offense.

The meeting of Division 3, which takes place tomorrow afternoon instead of Monday night, will be the last until August 28, when Division 4 will add to its roll a number of new members.

Because of the intense heat there was only a small attendance at the meeting of Division 1 last Tuesday. President Murphy held over several matters until the first September meeting, only routine business being transacted.

Addressing the Hibernians of St. Paul, our National Chaplain, Bishop Carroll, of Helena, just returned from Rome, concluded with this appreciated utterance: "And I am delighted by the Shepherd of the Faithful to deliver to the Hibernians of Ramsey and Hennepin counties, and every member of the A. O. H. in America, the blessing of Pope Pius X."

In response to a request of the Ladies' Auxiliary the County Board decided to join with the Ladies' Auxiliary in Indianapolis in furnishing free of charge to all the girls at St. Joseph's Industrial School the necessary books for the study of Irish history. Mrs. McNeills, State Chairlady of the Irish History Committee of the auxiliary, has already secured the supply of books.

The Hibernians of the Pacific coast will make a great display at the Panama Pacific Exposition in 1915. It is hoped at the present time to make the Irish exhibit rank second to none among the displays of the nations of the world. By that time Ireland will be holding a celebration of her home rule victory in Dublin, which will be an added inspiration for the Irish of San Francisco to make Ireland's star shine out in greater splendor at the 1915 exposition.

Hibernianism is clothed with the drapery that has enveloped a nation's history of twice a thousand years, adorned with the purest sentiments and noblest characteristic of a mighty race. From the beginning its policy has ever remained the same—faith and fatherland. So it is today the same spirit permeates our members. Our policy still remains faith and fatherland and the cardinal principles which guide us are unity, friendship and true Christian charity.

DEATH'S VICTIM.

Rev. Hugh McGuire, pastor of St. James church, Chicago, Ill., looked upon by many as the premier Catholic educator of the American priesthood, died last Sunday at Hamburg, Germany. Father McGuire had been ill for some time, and sailed from New York on August 3 for Carlsbad in the hope of recovering his health. The deceased was the head of the St. James High School, where 1,400 pupils are taught by thirty-two Sisters of Mercy and three lay professors.

WINNERS.

Wednesday night at the meeting of the Ladies' Auxiliary, A. O. H., Miss Nellie Broderick was declared winner of the diamond ring and Miss Virgie Donahue was awarded the gold emblem ring offered as prizes at the outing held at Fontaine Ferry Park on August 7. The auxiliary had a rousing meeting and received nine applications. Miss Julia Kelly drew the attendance prize, a feature that is attracting much attention from the ladies.

CONDITION CRITICAL.

Philip Hubbuch, Vice President of the Hubbuch Brothers & Wellendorff Company, dealers in wallpaper and carpets at 522-524 West Market street, is critically ill at his home, 1312 Highland avenue. He is sixty-two years old, and has not been in good health since about three years ago, when he suffered a stroke of apoplexy. Tuesday he was stricken again and on Thursday there was slight hope for his recovery.

HOPKINS' THEATER.

Rev. Father Mulvihill, of Des Moines, Iowa, was one of those who did good work in causing a cessation of hostilities in the street car strike in that city Saturday week. He did a great deal in influencing the men to be orderly and he attended the conference at which the company manager finally consented to arbitrate the matter.

A Miraculous Medicine

Mrs. Kath. Hildman writes from Wesley, Iowa, March 1, 1910—I was almost dead with pain from apoplexy and was over 6 months helpless—could not eat nor sleep. Any trifling matter made me worse. I was taken to Dr. Koenig's office and he gave me 6 bottles Pastor Koenig's Nerve Tonic and I now can sleep and have a good appetite and feel so well.

Have you got any "day's work" I am very much pleased with the Tonic and will recommend it wherever I can.

Mr. B. McCabe, Quincy, Ill., 305 Washington St., Sept. 1, 1910. She suffered from Nervousness and Catarrh, but few doctors could help her. She took Pastor Koenig's Nerve Tonic and was soon well again.
